Contact Us About Emergency Response to the Gold King Mine Release form

EPA is committed to working closely with response agencies and state and local officials to ensure the safety of citizens, respond to concerns and to evaluate impact to water contaminated by the Gold King Mine Release. EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife. Please see our website for the latest information: <http://www2.epa.gov/goldkingmine>  
Regular updates will be posted as they are available.  
Call toll-free: 844-607-9700

Name: Chuck Banks  
Email Address: chuckbanks@mvci.biz  
Comments: I work for a company called MVCI Energy Services Inc. We are a locally/employee owned company based in Farmington, New Mexico where we too are feeling the impact from the tragedy. Our company has the capability of treating the water that is removed from the Animas for drinking purposes. If we can fill a short term need, please let us know....Thanks
